Rick A'bell (DDVVMC) advised that anyone bringing their old vehicle to the Toowoomba Swap will get free entry and be able to park on the oval. Richard Eggesfield (BVRC) invited other clubs to join BVRC on a campout weekend at Noosa Bougainvillia Holiday park on the weekend of 20<sup>th</sup>-22<sup>nd</sup> Feb. Book your own site 1800 041 444. Let Richard know if you are coming. Silent movies on the Saturday afternoon.

**General Business:**

- (1) **NOTICE OF MOTION:** at the January General Meeting I, Richard Eggesfield, intend to move a motion to the effect that we adopt modifications to the constitution to replace rules 1- 31 with new rules 1-48. A copy of the proposed new constitution rules are attached to the minutes. Clubs are asked review the new rules based on the Model Rules. The adoption of this "new" constitution will ensure that our constitution reflects the current Incorporated Associations Act. The management committee has reviewed the proposed amendments and is in favour of their adoption. A number of by-laws will also be proposed at the January meeting, copies attached.
- (2) **STANDARD DATING CERTIFICATE:** several clubs have provided copies of their dating certificates from which the management committee has developed a draft recommended standard dating certificate using the best bits from those submitted. (QT has asked CC to consider developing and using a standard dating certificate).
- (3) **COMBINED COUNCIL RALLIES:** Entry forms are available for the 2009 RACQ CC Rally organised by QVVA at Bribie Island, contact Graham Porter Ph 3206 1812 or 0407 257 440). The Fraser Coast club is well on the way to getting the 2010 event planned. The Toowoomba Club (DDVVMC) delegate indicated his club had written to CC advising that it would be happy to put its name forward for either the 2011 or the 2012 rally. Richard Eggesfield moved that the DDVVMC be awarded the 2011 event. R A'bell seconded the motion and it was carried. Any club interested in conducting the 2012 is requested to advise the Sec CC.

- (4) **NATIONAL MOTORING HERITAGE DAY – 17<sup>th</sup> May 2009:** while CC will not organise any events for next year's NMHD, CC is encouraging all clubs to organise motoring runs or events on this day. David James indicated that CC will advertise NMHD events in the collector car magazines and in major newspapers. So if your club is planning to conduct an event on NMHD let the CC Secretary know so that we can include your club's event in our advertising. Your club may well be able to generate new members from the advertising of your event.
- (5) **COUNTRY MEETINGS FOR COMBINED COUNCIL:** David James to attend NQ Hub Rally Easter 2009 and is negotiating with the Cairns and Townsville clubs.
- (6) **COMBINED COUNCIL WEBSITE:** Christine Stevens reported that the CC website <http://www.qcchvc.org> has been updated and is running well. Further enhancements are in progress. Copies of CC minutes and the CC information brochure have been up loaded to the site.
- (7) **IDENTIFICATION OF DELEGATES:** President noted that there had been an improvement in the number of delegates wearing their club badges.
- (8) **INTRODUCE YOUR CLUB:** Neil Spicer of the Early Ford V8 Club presented an overview of the EFV8 club. He advised delegates that the club caters for all Ford V8 cars made from 1932 to 1954. The club is very active, meets on the 3<sup>rd</sup> Thursday each month at the clubrooms in Old Cleveland Rd. and runs at least one outing/trip/rally each month. We were advised that people don't need to own a Ford V8 to join the club just be interested in the vehicles.  
The club for January meeting is Mustang Owners Club. Each club need only present once per year. This can be delivered by your QCC club delegate or by anyone else from your club.
- (9) **OVER 30 yr old LIMO SCHEME:** Val Sharp (Cadillac) gave a short update on the option of using vehicles over 30yrs old as limos under the new rules. Originally the proposal was for a low cost system however registration costs are \$2000/year with twice yearly inspections of vehicles and another driver charge of \$1400. Val did not think many people would use the system but any one interested should contact Val for more Info.
- (10) **LISTS OF AFFILIATED CLUBS:** A question was raised regarding the abbreviation of club names. The Secretary indicated that he could forward all clubs and delegates a list of all club names and addresses together with the standard abbreviation of the name, provided no clubs present were opposed to the information being distributed. No clubs indicated that they were opposed, therefore a list is attached with these minutes.

***NOTE – Next Bi Monthly General Meeting: - Thursday 22<sup>nd</sup> Jan 2009***

Meeting Closed at 9.50 pm.

**QCCHVC MEETINGS ARE HELD 7.30PM 4<sup>th</sup> THURSDAY OF THE ODD NUMBERED MONTHS**  
2009 General Meeting Dates – 22<sup>nd</sup> Jan, 26<sup>th</sup> March, 28<sup>th</sup> May, 23<sup>rd</sup> July, 24<sup>th</sup> Sept, 26<sup>th</sup> Nov

**Queensland Transport Meeting Agenda and Outcomes:**

**1. Retention of Club Membership to Register SIVS Vehicle.**

**Outcome:** *QT advised that whilst Club membership is a requirement for first registration of a SIV it is also an operator responsibility to ensure currency of club membership at all subsequent registration renewals. QT policy and intent is that SIVS users retain club membership because QT agrees that club membership fosters a responsible adherence to SIVS guidelines. QT's recent circular reinforced the need to retain club membership. QT intent is now clear that we 'must retain club membership' to register or reregister a SIVS vehicle.*

**2. The Ceremonial Purposes (weddings, formals) Use Clause, "immediate family members" definition.**

**Outcome:** *QT guidance is that interpretation of the requirements should be done in a broad sense to encompass both traditional and modern-day family situations, e.g. to include as immediate family the spouse, parents, grandparents, siblings, children and grandchildren of the SIVS registered user, plus in-law, step and de facto relationships to the same levels, but to exclude extended family members such as nieces, nephews, aunts, uncles and the like.*

**3. Weekend Use of SIVS-Registered Vehicles.**

**Outcome:** *QT advised that current SIVS requirements and restrictions must be applied as a 'one rule for all'. SIVS guidelines currently allow individual running for repairs and for limited distance testing, but as there is no kilometre restriction for attending club or sanctioned events that are regionally located, SIVS operators in isolated regions are not disadvantaged under the current system. QT made it clear that any relaxation of the current guidelines to allow individual freedom of use on weekends will not be approved. Clubs are reminded that the remedy is in their own hands to educate their members as to the multitude of events available across the entire old vehicle movement and to ensure that their own club events calendars provide sufficient opportunities to use and enjoy their vehicles with other like-minded SIVS Operators.*

**4. LAMS (Learner Approved Motorbike Scheme).** This is a QT agenda item and not directly club-related.

QT will implement a Learner Approved Motorbike Scheme (LAMS) from 1 July 2009 as part of QT's Motorcycle Safety Strategy 2009 to 2012. After 1 July 2009, an RE class licensed rider may only ride a motorbike that is LAMS approved with "power to weight ratio of 150kW per tonne and an upper capacity limit of 660cc". Whilst most eligible motorcycles will be identified with current information, QT is concerned that there may be 'one off' motorcycles over 30 years old that need further validation to be LAMS-eligible and sought CC assistance as a point of reference for advice in these instances.

**Outcome:** *During establishment of the system some makes and models of early motorbikes may not be on the QT database. Gary Digney HMCCQ president advised that HMCCQ would assist in advising about any Vin., Vet., & Historic bikes. Such inquiries may also represent an opportunity to promote club membership. CC sees this issue as an opportunity to openly cooperate with and assist QT in the administration of a specific proposed scheme without being required to 'certify' anything, simply offer advice and guidance. CC thanks HMCCQ for approaching the issue in such a positive manner.*

**COMBINED COUNCIL RALLIES:** - Entry forms are available for the 2009 RACQ CC Rally organised by QVVA at Bribie Island, contact Graham Portor PH3206 1812 or 0407 257 440).

The Fraser Coast club is well on the way to getting the 2010 event planned.

The Toowoomba Club (DDVVMC) will conduct the 2011 rally. Thank you, Toowoomba.

CC is keen to hear from any club interested in conducting the 2012 CC Rally.

**NATIONAL MOTORING HERITAGE DAY:** Combined Council will spend money in advertising any event your club plans to organise for NMHD next year. If your club is holding an event on **17<sup>th</sup> May 2009 NMHD** then get your club to advise CC about the event. The state-wide and national publicity will help grow our movement and possibly generate new members for your club. All clubs are again asked to provide details of what they have planned for NMHD so CC can advertise the event .

**COMBINED COUNCIL NAME CHANGE & REVISED CONSTITUTION PROPOSAL:** CC Committee has proposed a name change to "**Queensland Historic Motoring Council Inc.**" and update our constitution to reflect the current "Model Rules" published by the Dept of Fair trading. The proposed name positively and succinctly reflects what QCCHVC does and is a more manageable name in everyday use. The proposed constitution changes ensure that our constitution reflects the Incorporations Act which overrules our old constitution Delegates will be

asked to vote on the name change and on the adoption of the updated Constitution at the January 2009 meeting. Make sure that your club delegate knows how your club wants them to vote.

**CLUB EVENTS & RUNS:** CC will add selected individual club events to the CC events calendar with a view to promoting interclub activity. Clubs are encouraged to provide CC with dates of runs where your club would like to have members of CC affiliated clubs participate in those runs. CC is not planning to add your full club calendar to the CC calendar, just a few dates from each club each year where your club would like to see members from other clubs attend. All clubs are asked to consider if they have any upcoming club runs that they would like opened up to other clubs. Just let CC know three or more months in advance for the word to get out to other clubs and you could have a bigger rollup at your events.

***PLEASE NOTE – Next Bi - Monthly Committee Meeting Thursday 22<sup>nd</sup> January 2009***

Combined Council is now holding bi-monthly general meetings (odd numbered month) with the Committee meetings on the alternate month (even numbered month).
